IN THE HEART OF SAUTERNES, A UNIQUE TERROIR

In the heart of the great Sauternes terroirs, the Lafaurie-Peyraguey vineyard is located on the high terrace of Sauternes gravel, 70 m above sea level, next to Château d'Yquem.
The parcels of "L'Enclos" and "Maisons Rouges" represent the historical heart of the Château, composed of gravel from the quaternary period deposited more than 600,000 years ago on a substratum of Aquitanian limestone.

SAINT-ÉMILION, HORIZON OF VINES

It is from the terrace of the "Chai Cathédrale" of Faugères that the Silvio Denz vineyards can be seen in all their nuances and extent. From the top of this promontory located on the right bank of the appellation, one can perfectly distinguish the great triangle of vines that they draw together: to the east, the Merlot of Péby Faugères rubs shoulders with the plots of Faugères where Cabernet Franc and Cabernet Sauvignon mingle with Merlot, while further south the vines of Cap de Faugères stretch over 20 hectares.

“The freshness of a great Rosé”

Unveiled as a limited edition, the Maisons Roses de Lafaurie Peyraguey is the result of a collaboration with the Dubourdieu family, co-shareholders of Château Lafaurie-Peyraguey. This Bordeaux rosé is the expression of two great Bordeaux grape varieties, Cabernet Sauvignon and Merlot, from the Pujols land located near the property. WHISKY THE GLENTURRET

THE OLDEST DISTILLERY IN SCOTLAND

Triple Wood - an introduction to the world of The Glenturret
70cl - 45% vol - 68€

A thoughtful combination of European and American Sherry casks and Bourbon barrels results in a light, subtle whiskey that showcases the sweet, fruity style of the new spirit - the starting point of the journey for all single malts. The three cask types carefully nurtured the spirit, adding depth of character and a rich, golden color.

10 years Peated Smoked - respect for the past
70cl - 50% vol - 80€

In the past, peat was very much a part of the distilling traditions and records show that Glenturret used peat from the Octhertye estate in the early 1800's. They are in the rare position of producing peated and unpeated spirit at different times of the year from the same small stills. This has allowed them to make this sweet, mellow, smoky 10 year old single malt that shows all its character with a 50% strength.

WHISKY THE GLENTURRET

THE OLDEST DISTILLERY IN SCOTLAND

12 years - the core range "By Hand and Heart"
70cl - 46% vol - 98€

A whisky produced in European oak casks that have patiently cradled the spirit since its inception 12 years ago, having gone through the small batch, manual production processes that define Glenturret. These oak barrels quietly and slowly add their distinctive character to the whiskey that matures within them. They are never overpowering, but they do improve and develop into a rich, complex flavor and deep rust color.

15 years - the mastery of wood
70cl - 55% vol - 190€

The 15 Year Old is driven by the refill wood where the oak notes recede and allow the original character of the spirit to sing. Delicate notes of citrus and vanilla echo the newly made spirit that flowed from the stills many years ago. This single malt is created with the honesty necessary to allow the spirit to tell its story, gently encouraged by the sobriety of the casks.

WHISKY THE GLENTURRET

THE OLDEST DISTILLERY IN SCOTLAND

25 years - Whisky Old Scotch
70cl - 42.2% vol - 1300 € - Limited edition

The 2022 edition of 25 Years Old is a limited expression created from just three casks, each with a very different character, stored in Dunnage's traditional warehouses for a quarter century: two European oak Butts and one Hogshead refill cask.

30 years - Single Malt Scotch Whisky
70cl - 45.7% vol - 1850 € - Limited edition

This complex 30-year-old single malt is a tale of two worlds. With respect for the past and a passion for the future, this 30-year-old single malt brings together the old and the new. In 2019, when the distillery met its new owners, some of this precious 30-year-old spirit was taken and put into new, specially selected European oak sherry casks, where it continued to mature for a further year. It was then carefully blended with the spirit that had sunk during the three decades in the original wood.

GIN ABERTURRET

HAND-CRAFTED SCOTTISH GIN

London Dry Gin
70cl - 45% vol - 55€

Bringing together heritage, tradition and an innovative approach, paying homage to the origins of gin.

The Aberturret Gin combines time-honoured distilling techniques with 14 selected botanicals, enhanced in richness and complexity by The Glenturret Single Malt New Make Spirit and exquisitely designed by Lalique, to create a unique London Dry Gin.
